COMPLIANCE PROCEDURES

BEK Communications Cooperative uses CPNI in compliance with the rules of the Federal Communications Commission set forth in 47 CFR 64.2001 through 64.2009. All BEK personnel are provided with a general overview of the CPNI rules as they pertain to BEK. Personnel employed in the company's marketing and billing sections are provided with an explanation of what information may be shared to market services to customers as well as what may not be shared. They are also provided with company and customer information sheets explaining CPNI. CPNI opt-out permission is offered at time of installation, at the customer's request anytime, and every 24 months thereafter.

The Chief Operations Officer is responsible for ensuring compliance with the CPNI rules in all sales and marketing efforts. Employees of BEK found to be in violation of the CPNI rules will receive disciplinary action. Multiple violations will result in termination.
